

SQUASH CH@T

Good to see so many members renewing and new members joining the club and getting into their fitness activity (squash) despite the warm temperatures. Mt Roskill Grammar School training starts with trials early this month and regular training days will be Tuesdays and Wednesdays from 3.45pm to 5pm or 5.30pm if courts available or members are not waiting for a court. One Tree Hill College still to confirm their arrangements.

Court booking sheets will not be used again this year so school and tournament notices will be put on the notice board and in the newsletters. Members will be responsible for checking the notices to keep up to date with club and school court bookings.

If you have any news items, feedback and / or suggestions you would like to share with the rest of our members in the next issue of Squash Ch@t, please contact Pamela Flux on ph 622 1151 or email gflux@maxnet.co.nz.

Junior Night

Is well supported by 21 young, budding juniors. Noelene Whitehead has again offered to help with the junior development programme this season and we have a wonderful group of supportive parents willing to help on court if needed. A great team all round.

Club members are welcome to come along and watch the young ones. The bar is open and the cooks offer great meals at reasonable prices and there are two big TV screens for those who would like to watch the rugby. It is very social and friendly at the club.

Primary school project @

Te Papapa Squash Club.

The squash club bursts into the sound of excited children on Thursday afternoons from 2pm to 2.45pm as a group of 24 children come from Oranga Primary school for squash instruction, and again from 3.30pm to 4.30pm as 21 excited children come from Te Papapa primary for their squash instruction.

Squash Auckland have kindly supplied 24 racquets and rubber balls, a booklet of racquet and ball skill exercises and a coach to assist with the programme. It is very encouraging to see so many children from our local area having a go and there is a lot of natural skill among them. Well worth putting the time in to develop their squash skill and interest.
