

SQUASH CH@T

Almost the shortest day of the year although you wouldn't notice as every day seems too short for what we have to get done. However, with seven days in a week there's more than enough time to fit some squash in to keep fit and healthy during the cooler months. Even a walk or jog to and from the courts will help get your heart rate up.

Te Papapa is not fielding any Senior or Masters interclub teams so our graded members have joined interclub teams from Manurewa Squash club which means there won't be any interclub games played at Te Papapa this season. Also, College Sport do not require the use of our courts this year. Without these two bookings, there is more free court time for our members to get and have a good workout. Make the most of your membership and play hard.

MRGS training and Junior nights are still on the board so as mentioned in previous newsletters, keep an eye on the court bookings in the entrance hall at the club rooms.

If you have any news items, feedback and / or suggestions you would like to share with the rest of our members in the next issue of Squash Ch@t, please contact Pamela Flux on ph 622 1151 or email gflux@maxnet.co.nz.

Reminder: Membership subscriptions inquiries can be made to Kelly Flux ph 09 634 8311 evenings.

Since March the club has run a program with Oranga and Te Papapa Primary schools.

Oranga completed their last session on 2 June with all the pupils showing they have developed basic squash skills during the program.

Te Papapa are still to complete their last session next week in which, as requested, the children will be graded.

Squash Auckland provided certificates which will be presented to the children at their next school assembly.

Squash Auckland also provided 8 squash rackets, 4 per school and these will also be presented to the pupils who have most improved and showing potential.

Thanks to Oranga and Te Papapa primary schools for participating and special thanks to the teachers from each school for their support with the program. Thanks also to Squash Auckland for the support.

Club rules have been posted on the notice board. It has never been a requirement in the past but due to issues being raised this is obviously necessary.

When in doubt, check the rules.

'May you have many more.'

Introducing 'Chance' my littlest grand daughter born in February to Lisa and Tuan. Lisa is a member of Te Papapa Squash, She is a past Club Secretary and past Club President and is still on the committee. We'll be seeing more of Chance at the club as Lisa works on her fitness and gets back into playing. Club Champs is a good incentive.
